Annex A

New SDC Board Members

	<p>Ms Angelene Chan Chief Executive Officer DP Architects</p> <p>Ms Angelene Chan is the Chief Executive Officer of DP Architects and its group of companies, an influential practice behind many of Singapore’s important public projects and notable landmarks. Angelene has led many projects that put both DP and Singapore on the map including The Dubai Mall, Resorts World Sentosa and Wisma Atria. As an architect, she sees each of her projects as an exploration of the urban relationship between communities and the built environment. She was awarded the President’s Design Award Designer of the Year in 2018.</p> <p>As CEO, she focuses on raising DP’s design capabilities through knowledge-sharing platforms, typology study, and the use of technology. Angelene currently serves on the Board of Urban Redevelopment Authority, Board of Architects and Professional Engineers Board. With her strong experience in design and urban planning, she would be able to provide valuable insights on improving the landscape and urban development of Sentosa-Brani Masterplan.</p> <p>Angelene graduated with Bachelor of Architecture, First Class Honours from Adelaide University, Australia.</p>

Mr Guna Chellappan
General Manager (Cloud & Cognitive Software)
IBM

With more than 25 years of experience in the IT industry, Mr Guna Chellappan has been extensively involved in the implementation of strategies and programmes to help customers across global markets drive incremental business leveraging technology platforms such Cloud and AI.

Guna graduated with an Bachelor in Engineering (Honours) from National University of Singapore.

Mr Adrian Chua
Deputy Secretary (Industry)
Ministry of Trade and Industry

Mr Adrian Chua is Deputy Secretary (Industry) at Singapore's Ministry of Trade and Industry. He oversees the Ministry's economic research and forecasting, industry development, energy, and economic futures and strategy functions. Prior to this, Mr Chua was Deputy Secretary at the Ministry of Defence, where he was responsible for the defence budget, manpower, digital transformation and legal issues.

Before being appointed as Deputy Secretary, Mr Chua was Divisional Director (Manpower Planning and Policy Division) at the Ministry of Manpower. He started his career at the Monetary Authority of Singapore, where he was Executive Director (Strategic Planning and Communications Department) and Executive Director (Prudential Policy Department). He served as a member of the Executive Board of the International Monetary Fund from 2008 to 2010, during the global financial crisis. He was also a member of the Basel Committee on Banking Supervision's Policy Development Group, where he contributed to the development of the post-crisis bank regulation framework.

	<p>Mr Chua has served as a Board member of the Defence Science and Technology Agency and Defence Science Organisation, and was the Chair of their Human Resource Committees. He served as Chairman of the Singapore Discovery Centre from 2016 to 2019.</p>
	<p>Ms Mariam Jaafar Managing Director & Partner Boston Consulting Group</p> <p>Ms Mariam Jaafar is a core member of The Boston Consulting Group’s Technology, Media & Telecommunications and Financial Institutions practices.</p> <p>Since joining BCG in 2006, Mariam has worked with both public sector and private sector clients in the US and Southeast Asia. Her recent focus has been on helping clients undertake large scale transformation programs and respond to and pursue opportunities created by digital disruption.</p> <p>Mariam graduated with MBA from Harvard Business School.</p>
	<p>Mr Michael Syn Head (Equities) Singapore Exchange Ltd</p> <p>Mr Michael Syn is Head of Equities at SGX.</p> <p>Mr Syn has management responsibility for SGX’s equities business, across both the stock market and futures market. He serves as director and CEO of SGX’s regulated infrastructures for Securities Trading (ST), Central Depository (CDP), Derivatives Trading (DT) and Derivatives Clearing.</p> <p>Prior to this role, Mr Syn led the Exchange’s successful derivatives business in equity, commodity and currency assets. He joined SGX in 2011 with a background in investment banking and investment management.</p> <p>Mr Syn graduated with MA and PhD degrees from Cambridge University and attended the</p>

	Harvard Advanced Management Program (AMP).
