6. Mr Lee Chuan Teck, Permanent Secretary (Development) for MTI, expressed his appreciation to Mr Ng How Yue for his contributions to EMA during his time as Chairman of EMA. Mr Lee said, “How Yue has played a key role in leading EMA to forge a progressive energy landscape for sustained growth. Under his leadership, the successful rollout of the Open Electricity Market last year saw consumers being able to benefit from greater choice and competitive prices. I would like to express MTI’s deep appreciation for his invaluable contributions.”

7. MTI would also like to thank all the outgoing Board Members of EMA, ESG and JTC for their contributions and welcome the new Board members.

(The write-ups of the new Board members, and the full list of Board members of EMA, ESG and JTC can be found in Annex.)

New ESG Board Members

Ms Chin Wei Jia
Group Chief Executive Officer
HMI Group

Ms Chin Wei Jia is the Group CEO and Executive Director of Health Management International Pte Ltd (“HMI Group”). Founded in 1998, HMI Group is a growing regional healthcare provider invested across the tertiary, ambulatory and primary health care segments. The Group serves close to 1 million lives per year with its team of over 250 practising doctors and 2,000 employees.

Ms Chin joined HMI Group in 2002 and held various senior management positions in Singapore and Malaysia over the years, including Group General Manager and CEO of Regency Specialist Hospital. In her current capacity since 2015, Ms Chin oversees and leads the strategic and operational activities of HMI Group.

The Group’s hospitals in Malaysia - Mahkota Medical Centre and Regency Specialist Hospital - are elite members of the Malaysian Healthcare Travel Council and approved by the Singapore Ministry of Health for usage of Medisave overseas for hospitalisations and day surgeries. In Singapore, the Group has invested in StarMed Specialist Centre, a one-stop ambulatory care centre offering medical diagnostics, endoscopy and day surgery services, and OneCare Medical, a GP clinic chain. Ms Chin is committed to improving lives, and recently spearheaded the transformation of HMI Institute of Health Sciences into a social enterprise.

Ms Chin is a member of the Malaysia-Singapore Business Council and Public Guardian Advisory Committee. She holds a Bachelor of Arts (summa cum laude) in Economics and International Relations from Boston University and a Masters of Arts in International Relations from Johns Hopkins University.

Mr Luke Goh
Deputy Secretary (Trade)
Ministry of Trade & Industry

Mr Luke Goh is the Deputy Secretary (Trade) at the Ministry of Trade and Industry, Singapore.

The Ministry of Trade & Industry promotes sustained and inclusive economic growth to create good jobs and support high standards of living for Singaporeans.

As Deputy Secretary (Trade), Mr Goh is responsible for Singapore's trade and external economic relations. This includes the negotiation and implementation of free trade agreements with Singapore's key trading partners, as well as promoting Singapore's interests at regional and multilateral fora such as ASEAN, APEC and the WTO.

Prior to this, he was Senior Director, Public Service Division and concurrently Institute Director, Institute of Governance and Policy in Civil Service College, Singapore. He has also held various roles in the Ministry of Health, and is a Board member of the Maritime and Port Authority of Singapore.

Mr Goh started his public service career at the Monetary Authority of Singapore. He was privileged to serve in a range of central bank functions including as Executive Director of the Monetary and Domestic Markets Department, responsible for monetary policy implementation, banking system liquidity and government debt issuance.

Mr Loke Wai San
Executive Chairman and Director
AEM

Mr Loke Wai San has been the Chairman of AEM since 2011. He is also the Managing Partner of private equity fund adviser Novo Tellus Capital Partners, a firm he founded in 2010 to make investments in Small and Medium Enterprises in the technology and industrials sectors.

	<p>Mr Loke has over 28 years of global technology management and investment experience, and works closely with management teams to transform their companies through re-investments in innovation, customer acquisition and product delivery. Throughout his career, Mr Loke has invested in companies in Silicon Valley, China, Japan, Europe and Southeast Asia.</p> <p>From 2000 to 2010, Mr Loke was with Baring Private Equity Asia, where he was a Managing Director and head of Baring Asia’s US office and subsequently co-head for Southeast Asia. Prior to joining Baring Asia, Mr Loke was a Vice President at venture capital fund H&Q Asia Pacific from 1999 to 2000, a Senior Manager at management consulting firm AT Kearney from 1995 to 1999, and an R&D engineer with Motorola from 1991 to 1993. Mr Loke was the former Chairman and President of the Singapore American Business Association in San Francisco.</p> <p>Mr Loke is also an independent director on the Board of Sunningdale Tech Limited, and a non-independent director at Procurri Corporation Limited.</p>
	<p>Mr Frank Phuan Chief Executive Officer & Executive Director Sunseap Group</p> <p>Mr Frank Phuan has over 20 years of experience in the solar industry, and possesses an Honours Degree in Applied Science in Materials Engineering from Nanyang Technological University (NTU).</p> <p>Prior to setting up the Sunseap Group, Mr Phuan spent time in his family business of solar panels manufacturing, learning the ins-and-outs of the solar business.</p> <p>Mr Phuan has led numerous projects and public speeches involving technology and operational</p>

	<p>improvement of solar systems, sustainability strategy, solar module recycling, green buildings and infrastructure, greenhouse gas emission reduction, verification, solar farm and rooftop solar Power Purchase Agreement (PPA) projects across 12 markets Sunseap Group has established its operation. The 13 markets are namely; Singapore, Malaysia, Cambodia, India, Thailand, Vietnam, Philippines, Japan, Hong Kong, China, Taiwan and Australia.</p> <p>In addition to the Sunseap group's business and corporate development, Mr Phuan also plays a key role in the engineering and reducing the levelised cost of solar energy in Singapore to implement Sunseap Group's first 10 MegaWatt-peak (MWp) of solar PPA projects which subsequently set the foundation for its next 100 MWp of solar PPA projects within the group's portfolio.</p> <p>An experienced entrepreneur, Mr Phuan also spent time delving into advertising, IT and F&B. He was also awarded the distinguished Nanyang Outstanding Young Alumni Award 2014, the prestigious Entrepreneur of the Year Award (EYA) 2015, and the PVSEC Special Award in 2016 in recognition of his contribution to the growth in areas of photovoltaic industrial technology in Singapore.</p>
	<p>Mr Daniel Wong Group General Manager Bee Cheng Hiang Hup Chong Foodstuff Pte Ltd</p> <p>Mr Daniel Wong is the 3rd generation in the family business. He is the grand-nephew of the founder and has been in the business for 27 years since he joined in 1993 when he was 24 years old. He manages the Bee Cheng Hiang brand name and is instrumental in the leading and shaping Bee Cheng Hiang since 1999.</p> <p>Mr Wong leads Bee Cheng Hiang Hup Chong Foodstuff Pte Ltd, which controls the retail and marketing functions of the business. He is part of the Management team that developed the</p>

	<p>business strategy for the local and regional markets, including the global marketing strategy of the Bee Cheng Hiang franchise. Bee Cheng Hiang has successfully expanded into overseas markets namely China, Hong Kong, Indonesia, Malaysia, Taiwan, Japan, South Korea, Cambodia, Vietnam and the Philippines.</p> <p>Mr Wong has a Bachelor of Science from University of Wisconsin (Madison).</p>

New JTC Board Members

**Mr Adrian Chua
Deputy Secretary (Industry)
Ministry of Trade and Industry**

Mr Adrian Chua is Deputy Secretary (Industry) at Singapore's Ministry of Trade and Industry. He oversees the Ministry's economic research and forecasting, industry development, energy, and economic futures and strategy functions. Prior to this, Mr Chua was Deputy Secretary at the Ministry of Defence, where he was responsible for the defence budget, manpower, digital transformation and legal issues.

Before being appointed as Deputy Secretary, Mr Chua was Divisional Director (Manpower Planning and Policy Division) at the Ministry of Manpower. He started his career at the Monetary Authority of Singapore, where he was Executive Director (Strategic Planning and Communications Department) and Executive Director (Prudential Policy Department). He served as a member of the Executive Board of the International Monetary Fund from 2008 to 2010, during the global financial crisis. He was also a member of the Basel Committee on Banking Supervision's Policy Development Group, where he contributed to the development of the post-crisis bank regulation framework.

Mr Chua has served as a Board member of the Defence Science and Technology Agency and Defence Science Organisation, and was the Chair of their Human Resource Committees. He served as Chairman of the Singapore Discovery Centre from 2016 to 2019.

Mr Muthukrishnan Ramaswami
Partner
PeepalTree Pte Ltd

Mr Muthukrishnan Ramaswami is a Finance, Technology & Operations professional with over 35 years of international experience, including 12 years at Singapore Exchange (SGX), 21 years at Citibank and 3 years at Nestle.

Mr Ramaswami retired as President of Singapore Exchange on 1st October 2019. In various roles at SGX he had broad responsibilities and helmed Technology, Operations, Product Management and Marketing and International Coverage with responsibility for all regulated subsidiaries of the Exchange. The subsidiaries included Trading, Clearing and Depository services and covered all asset classes - Securities, Derivatives, Fixed Income, FX. He was also responsible for Market Data, connectivity and Index businesses of the exchange.

He joined SGX as Senior Executive Vice President and Chief Operations Officer on 1 July 2007, and was appointed Co-President in July 2010 and President in May 2012.
