

**Update to categories of travellers for the
Vaccinated Travel Lane (Land) between Singapore and Malaysia**

1. To allow for more groups of people to travel between Singapore and Malaysia, the Vaccinated Travel Lane (VTL) between Singapore and Malaysia via the Causeway will now be extended to citizens of both countries.
2. From 20 December 2021, Singapore Citizens will be able to enter Malaysia, and likewise, Malaysia Citizens will be able to enter Singapore, via the VTL (Land). Previously, only citizens, permanent residents and long-term pass holders of the country they were entering were able to travel via the VTL (Land).
3. There will be no change to the current test protocols in Singapore and Malaysia. All travellers entering Singapore will have to abide by the prevailing test protocols and safe management measures, which include the post-arrival 7-day COVID-19 Antigen Rapid Test regime.
4. For more information on the VTL (Land) between Singapore and Malaysia, please visit <https://safetravel.ica.gov.sg/vtl-land/overview>.
