Such compensation shall be effectively realisable, in a freely usable currency, and freely transferable in accordance with Article 7 (Transfers). The compensation shall include interest at a commercially reasonable rate for that currency, accrued from the date of expropriation until the date of payment.

3. Notwithstanding paragraphs 1 and 2, any measure of expropriation relating to land, which shall be as defined in the existing domestic legislation of the expropriating Contracting Party on the date of entry into force of this Agreement, shall be for a purpose and upon payment of compensation in accordance with the aforesaid legislation and any subsequent amendments thereto relating to the amount of compensation where such amendments follow the general trends in the market value of the land.

The Contracting Party making the expropriation shall make every endeavour to ensure that such review is carried out promptly.

5. Where a Contracting Party expropriates the assets of an enterprise which is incorporated or constituted under the law in force in any part of its own territory, and in which investors of the other Contracting Party own shares, it shall ensure that the provisions of paragraphs 1 and 2 are applied to the extent necessary to guarantee compensation as specified therein in respect of the investment of such investors.

1. In the event of serious balance of payments and external financial difficulties or threat thereof, a Contracting Party may adopt or maintain restrictions on payments or transfers related

to investments. 2. The restrictions referred to in paragraph 1 shall:
 - (a) be consistent with the Articles of Agreement of the Fund;
 - (b) avoid unnecessary damage to the commercial, economic and financial interests of the other Contracting Party;

4. The Contracting Party adopting any restrictions under paragraph 1 shall commence consultations with the other Contracting Party in order to review the restrictions adopted by it.

ARTICLE 9 SUBROGATION

1. Where one Contracting Party or its designated agency has guaranteed any indemnity against non-commercial risks in respect of an investment by any of its investors in the territory of the other Contracting Party and has made payment to such investors in respect of their claims under this Agreement, the other Contracting Party agrees that the first Contracting Party or its designated agency is entitled by virtue of subrogation to exercise the rights and assert the claims of those investors. The subrogated rights or claims shall not exceed the original rights or claims of such investors.
2. Where a Contracting Party or a designated agency of a Contracting Party has made a payment to an investor of that Contracting Party and has taken over rights and claims of the investor, that investor shall not, unless authorised to act on behalf of the Contracting Party or the designated agency of the Contracting Party making the payment, pursue those rights and claims against the other Contracting Party.

ARTICLE 10 SETTLEMENT OF DISPUTES BETWEEN A CONTRACTING PARTY AND AN INVESTOR OF THE OTHER CONTRACTING PARTY

1. Any dispute under this Agreement between a host Contracting Party and an investor of the other Contracting Party, arising directly from an investment in the territory of the host

Contracting Party, shall, as far as possible, be settled amicably between the parties to the dispute.

2. If such disputes cannot be settled according to the provisions of paragraph 1 within six months from the date of request in writing for settlement, the investor concerned may submit the dispute to:

- (a) the competent court of the host Contracting Party for decision;
- (b) the International Centre for the Settlement of Investment Disputes (ICSID) established under the Convention on the Settlement of Investment Disputes between States and Nationals of Other States of 18 March 1965 done at Washington, D.C. (hereinafter referred to as the "Convention") if this Convention is applicable to both of the Contracting Parties;
- (c) the ICSID under the Rules Governing the Additional Facility for the Administration of Proceedings by the Secretariat of the International Centre for Settlement of Investment Disputes (Additional Facility Rules), if one of the Contracting Parties is not a Contracting State to the Convention;
- (d) an international ad hoc arbitration tribunal under the Arbitration Rules of the United Nations Commission on International Trade Law (UNCITRAL) adopted by UNCITRAL on 28 April 1976 (hereinafter referred to as "UNCITRAL Arbitration Rules"); or
- (e) any other arbitral institutions or in accordance with any other arbitral rules, if the parties to the dispute so agree.

Subject to Article 10.5, the choice shall be final once the investor has submitted the dispute to any of the dispute settlement mechanisms provided for above in this paragraph.

3. Each Contracting Party hereby irrevocably consents in advance to submit a dispute under this Agreement for international conciliation or arbitration. Such consent shall be understood to satisfy the requirements of Article 25 of the Convention.

4. The tribunal referred to in paragraph 2(d) shall be established as follows:

- (a) Each party to the dispute shall appoint one arbitrator, and the two arbitrators thus appointed, shall select by mutual agreement a third arbitrator, who shall be a national of a third State, and who shall be appointed as Chairman of the tribunal by the two parties. All the arbitrators shall be appointed within two months from the date of notification by one party to the other party of its intention to submit the dispute to arbitration.
- (b) If the requirements in paragraph 4(a) of this Article are not satisfied, either party, in the absence of any other agreement, shall invite the Secretary General or Vice-Secretary General of ICSID, who is not a national of either Contracting Party, to make the necessary appointments.
- (c) The tribunal shall reach its decisions by a majority of votes. These decisions shall be final and legally binding upon the parties and shall be enforced in

accordance with the domestic law of the Contracting Party concerned and the provisions of this Agreement.

- (d) The tribunal shall interpret its award and give reasons and bases of its decision at the request of either party.

Subject to the above, the tribunal shall follow the UNCITRAL Arbitration Rules.

5. Neither Contracting Party shall prevent the disputing investor from seeking interim measures of protection, not involving the payment of damages or resolution of the substance of the matter in dispute before the courts or administrative tribunals of the disputing Contracting Party, prior to the institution of proceedings before any of the dispute settlement mechanisms referred to in paragraph 2 of this Article, for the preservation of its rights and interests.

6. Neither Contracting Party shall give diplomatic protection or bring an international claim in respect of a dispute which one of its investors and the other Contracting Party have consented to submit or have submitted to conciliation or arbitration under this Article, unless the other Contracting Party has failed to abide by and comply with the award rendered in such dispute. Diplomatic protection, for the purposes of this paragraph, shall not include informal diplomatic exchanges for the sole purpose of facilitating a settlement of the dispute.

7. Any arbitral award shall be final and legally binding upon the parties to the dispute. Each Contracting Party shall ensure the recognition and enforcement of the award in accordance with its relevant laws and regulations.

ARTICLE 11 SETTLEMENT OF DISPUTES BETWEEN THE CONTRACTING PARTIES

1. Disputes between the Contracting Parties concerning the interpretation or application of this Agreement shall be settled, to the extent possible, through negotiations between the Contracting Parties.

2. If the dispute cannot be settled within six months from the date of a written receipt for negotiations by either Contracting Party, it shall, upon the request of either Contracting Party, be submitted to an arbitral tribunal.

3. Each Contracting Party shall appoint one member of the arbitral tribunal within two months of the receipt of the request for arbitration. Those two members shall then select a national of a third State who, upon approval of the two Contracting Parties, shall be appointed Chairman of the arbitral tribunal within one month from the date of the appointment of the other two members.

4. If within the time-limits specified in paragraph 3 the necessary appointments have not been made, either Contracting Party may, in the absence of any other agreement between the Contracting Parties, invite the President of the International Court of Justice to make such appointments. If the President of the International Court of Justice is a national of the State of either Contracting Parties or is otherwise unable to discharge the said function, the Vice-President of the International Court of Justice shall be invited to make the necessary appointments. If the Vice-President of the International Court of Justice is a national of the

State of either Contracting Parties or is otherwise unable to discharge the said function, the member of the International Court of Justice next in seniority who is not a national of the State of either Contracting Party and not otherwise prevented from discharging the said function shall be invited to make the necessary appointments.

5. The arbitral tribunal shall reach its decision by a majority of votes. Such decision shall be final and legally binding upon the Contracting Parties. Each Contracting Party shall bear the costs of activities of its own member of the arbitral tribunal and of its representation in the arbitration proceedings. Costs related to the activities of the Chairman of the arbitral tribunal and other costs shall be borne in equal parts by the Contracting Parties. The arbitral tribunal may, however, in its decision direct that a higher portion of costs shall be borne by one of the Contracting Parties and such decision shall be binding upon both Contracting Parties. The arbitral tribunal shall establish its own rules of procedure.

ARTICLE 12 DENIAL OF BENEFITS

Subject to prior notification and consultation, a Contracting Party may deny the benefits of this Agreement to an investor of the other Contracting Party that is an enterprise of the other Contracting Party and to investments of such an investor where the denying Contracting Party establishes that the enterprise is owned or controlled by persons of a third State, or of the denying Contracting Party, and has no substantive business operations in the territory of the other Contracting Party.

ARTICLE 13 OTHER OBLIGATIONS

If the laws or regulations of either Contracting Party or international obligations, existing at present or established hereafter, result in a position entitling investors of the other Contracting Party and investments of investors of the other Contracting Party to treatment more favourable than is provided for by this Agreement, such position shall not be affected by this Agreement.

ARTICLE 14 AMENDMENT

The provisions of this Agreement may be amended by written agreement between the Contracting Parties. Any amendment shall enter into force in accordance with the provisions of Article 15 (Entry into Force).

Contracting Party a written notice through diplomatic channels of its intention to terminate the Agreement. The Agreement shall be terminated one year from the date of receipt of such written notice.

2. Notwithstanding the termination of this Agreement pursuant to paragraph 1, the Agreement shall continue to be effective for a further period of ten years from the date of its termination in respect of investments made or acquired before the date of termination.
