ARTICLE 4

MOST FAVOURED NATION PROVISION

ARTICLE 5

EXCEPTIONS

1. The provisions of this Agreement relating to the grant of treatment not less favourable than that accorded to the investors of any third State shall not be construed so as to oblige one Contracting Party to extend to investors of the other Contracting Party the benefit of any treatment, preference or privilege resulting from:

Such compensation shall, subject to the laws of each Contracting Party, be the value immediately before the expropriation became public knowledge. The compensation shall be freely convertible and transferable.

2. Any measure of expropriation or valuation may, at the request of the investor affected, be reviewed by a judicial or other independent authority of the Contracting Party taking the measures in the manner prescribed by its laws.

3. Where a Contracting Party expropriates the assets of a company which is incorporated or constituted under the laws in force in any part of its own territory, and in which investors of the other Contracting Party own shares, it shall ensure that the provisions of paragraph 1 of this Article are applied to the extent necessary to guarantee compensation as specified therein to such investors of the other Contracting Party who are owners of those shares.

ARTICLE 7

ARTICLE 11
SUBROGATION

1. If one Contracting Party or its designated Agency (hereinafter referred to as the "First Contracting Party") makes a payment to an investor of that Contracting Party under a guarantee or a contract of insurance it has granted in respect of an investment, the other Contracting Party shall recognise the transfer of rights of any right or title in respect of such investment. The First Contracting Party is entitled to exercise such rights and enforce such claims by virtue of subrogation, to the same extent as the party indemnified.

2. Any payment made by one Contracting Party or its designated Agency to its investors shall not affect the right of such investors to make their claims against the other Contracting Party in accordance with Article 12.

ARTICLE 12

SETTLEMENT OF DISPUTES BETWEEN AN INVESTOR AND A CONTRACTING PARTY

1. Any dispute between an investor of one Contracting Party and the other Contracting Party in connection with an investment in the territory of the other Contracting Party shall, as far as possible, be settled amicably through negotiations between the parties to the dispute. The party intending to resolve such dispute through negotiations shall give written notice to the other of its intention.

2. If any dispute cannot be thus resolved as provided in paragraph 1 of this Article within six months from the date of the notice given thereunder by either party to the dispute, then, unless the parties have otherwise agreed, it shall, upon the request of either party to the dispute, be submitted to conciliation or arbitration by the International Centre for Settlement of Investment Disputes (called the "Centre" in this Agreement) established by the Convention on the Settlement of Investment Disputes between the States and Nationals of other States opened for signature at Washington on 18 March, 1965 (called the "Convention" in this Agreement). For this purpose, each Contracting Party hereby irrevocably consents in advance under Article 25 of the Convention to submit any dispute to the Centre.

ARTICLE 13

SETTLEMENT OF DISPUTES BETWEEN THE CONTRACTING PARTIES

1. Any dispute between the Contracting Parties concerning the interpretation or application of this Agreement shall, as far as possible, be settled through negotiation.

2. If any dispute cannot be thus settled, it shall upon the request of either Contracting Party be submitted to arbitration. The arbitral tribunal (hereinafter called "the tribunal") shall consist of three arbitrators, one appointed by each Contracting Party and the third, who shall be Chairman of the tribunal, appointed by agreement of the Contracting Parties.

3. Within two months of receipt of the request for arbitration, each Contracting Party shall appoint one arbitrator, and within two months of such appointment of the two arbitrators, the Contracting Parties shall appoint the third arbitrator.

4. If the tribunal shall not have been constituted within four months of receipt of the request for arbitration, either Contracting Party may, in the absence of any other agreement, invite the President of the International Court of Justice to appoint the arbitrator or arbitrators not yet appointed. If the President is a national of either Contracting Party or if he is unable to do so, the Vice-President may be invited to do so. If the Vice-President is a national of either Contracting Party or if he is unable to do so, the Member of the International Court of Justice next in seniority who is not a national of either Contracting Party may be invited to make the necessary appointments, and so on.

5. The tribunal shall reach its decision by a majority of votes.

6. The tribunal's decision shall be final and the Contracting Parties shall abide by and comply with the terms of its award.

7. Each Contracting Party shall bear the costs of its own member of the tribunal and of its representation in the arbitration proceedings and half the costs of the Chairman and the remaining costs. The tribunal may, however, in its decision direct that a higher proportion of costs shall be borne by one of the two Parties, and this award shall be binding on both Parties.

8. Apart from the above the tribunal shall establish its own rules of procedure.

ARTICLE 14

OTHER OBLIGATIONS

If the provisions of law of either Contracting Party or obligations under international law existing at present or established hereafter between the Contracting Parties in addition to this Agreement contain a provision, whether general or specific, entitling investments made by investors of the other Contracting Party to a treatment more favourable than is provided for by this Agreement, such position shall not be affected by this Agreement. Each Contracting Party shall observe any commitment in accordance with its laws additional to those specified in this Agreement entered into by the Contracting Party, its investors with investors of the other Contracting Party as regards their investments.

ARTICLE 15

ENTRY INTO FORCE, DURATION AND TERMINATION

1. Each Contracting Party shall notify the other Contracting Party of the fulfillment of its internal legal procedures required for bringing into force of this Agreement. This Agreement shall enter into force on the thirtieth day from the date of notification of the later Contracting Party.

2. This Agreement shall remain in force for a period of fifteen (15) years and shall continue in force thereafter unless, after the expiry of the initial period of fourteen years, either Contracting Party notifies in writing the other Contracting Party of its intention to terminate this Agreement. The notice of termination shall become effective one year after it has been received by the other Contracting Party.

3. In respect of investments made prior to the date when the notice of termination of this Agreement becomes effective, the provisions of Articles 1 to 14 shall remain in force for a further period of fifteen years from that date.

IN WITNESS WHEREOF the undersigned representatives, duly authorised thereto by their respective Governments, have signed this Agreement.
